- Innovative finishes refined on classic clean modern profiles
- Color palette derived from oil rubbed, burnished machined metals
- Collection features beautiful shadowbox profiles in 1 3/4" and 2" depths
- Profiles can be stacked to create a greater variety of framing solutions in design and color
- Perfect for framing many works and genres such as modern and retro-modern art, classic lithography, black & white photography, portraiture and color photography, architectural and topographic art, watercolors, etchings, engravings, pen & ink works, digital art prints, 3-dimensional art, shadowboxing and collage, and for framing historical documents and heirlooms.
