AVA

Ava is an elegant collection of three items that evokes a breezy coastal feel. The collection's aesthetic is designed to allow designers to introduce more sophisticated artwork into home settings with a clean tailored look, often seen in vacation homes.

Eternally popular coastal design, also known as 'beachy-chic', is recognized by the use of natural textures where materials such as rope, wicker, and driftwood are commonly employed within the setting. Shades of white, watery hues and white washed wood and fabrics are popularly used in the fabrication of furniture, home accessories and artwork.

Ava's white brushed finish carries the collection into this style category, setting the mood with a clean and airy sensibility. The brush lines are streaked with shimmering highlights that cast reflection from light to dark to deliver its textural dynamic. Accented on the crest with crisp gold (84280), silver (84281), and navy blue (84282); a nod to the nautical Ralph Lauren coastal home design palette popularized worldwide.

The collection's bright white finish was selectively curated for its compatibility with modern digital printing papers.

◁ Warm Tones, Cool Looks

One shouldn't hesitate to use brushed white mouldings for only cool color pairings. Warm hues, jewel tones, and bolder saturated colors can be cooled down with the airiness of white.

Here, the gold accent on 84280 can bring it all together, pulling out the earthy browns and sunny yellows while complementing the bright blue and greens.
