EPOQUE

Designed to impress with its textural contrast and technical virtuosity, the Epoque collection will appeal to fans of warmth and texture. The highly reflective ribbon scoop panel is nestled into a profile that surrounds the fascia with a tasteful wood grain texture.

This collection elegantly connects the outside natural world with the warmth and brightness of the metallic finishes. The finished product will elevate your customer's artwork to a high level while integrating seamlessly with the more natural tones of their interior.

Epoque's lines and finishes are ideal for projects that involve decorative art period genres of the 1900's such as art deco, art nouveau, and retro modern. The fluid texture, lustrous metals, and architectural lines bring forth a graceful modernity and glamour to interior spaces as well as complementing pieces with strong lines and decorative attributes. The collection pairs well with framing designs that employ unique matting designs such as multi-level creations, textural fabric surfaces, and painted lines.

The collection is bouyed by finishes in Gold (84268), bright Silver (84265), Champagne (84267), and oxidized Gunmetal (84266). Silver and Gunmetal finishes are reminiscent of mercury glass in different ages of patina.

◁ Organically Speaking

The curvy scalloped lines of Epoque's profile creates a stage for the organic silhouettes and geometric shapes seen throughout modern art in the last century. Epoque is a perfect collection to experiment with shape and light to create something totally unexpected.
